Let kids be kids with the gift of soccer

Our students love playing "football" at recess! But soccer isn't just a fun game - it promotes healthy exercise, strengthens social skills, and builds team work and communication.

Contribute a new school uniform

Our students (and Principal Sumo) are proud of their school uniforms. Your gift will allow families to use their hard-earned income for tuition, food and other family necessities.

\$ _____ TOTAL of Gifts

Support parent literacy in our school community.

The majority of parents in our school community are unable to read or write. Being illiterate means they can not reinforce their child's school lessons at home. It means most can not even sign their own names. Your gift will help provide literacy classes for a parent like James - in the evening when it doesn't interfere with daytime income-producing work, market selling, or family responsibilities.

- \$50 ----- support a **parent literacy class** for 1 month
- \$75 ----- sponsor a **literacy teacher** for 1 month
- \$250 ----- sponsor an **adult learner** for 1 school year

Give the gift that keeps on giving... chickens for protein and income.

Our goal is to build a financially self-sufficient and sustainable school. Chickens at our new poultry farm will provide nutrient-rich eggs for the students, jobs for community members, and income for school operations.

- \$10 ----- buy 5 vaccinated chicks
- \$25 ----- pay a portion of 1 month's feed
- \$100 ----- pay farm helper's wage for 1 month

Share a school lunch or support our cooks

Liberians say, "An empty bag can not stand" - meaning it's hard to work when your stomach is empty. Our students get a nutritious lunch each day - filling their stomachs, strengthening their minds and helping them to focus on learning.

- \$20 ----- buy 1 week of protein-rich fish
- \$25 ----- buy a school lunch for 1 month
- \$100 ----- pay a cook's wages for 1 month

Sponsor a child's tuition or a teacher's salary

By supporting a student at the Gbarnga Lutheran Training Center, they not only receive a quality Christian education - they drink clean water, eat nutritious meals, get encouragement from loving teachers, and learn the most important lesson of all - the love of Jesus in their lives.

- \$30 ----- sponsor a **child** for 1 month
- \$360 ----- sponsor a **child** for 1 year

- \$150 ----- sponsor a **teacher** for 1 month
- \$1,800 ----- sponsor a **teacher** for 1 year

In lieu of mailing a check, automatic monthly contributions for sponsoring a child throughout the year can be set up by visiting our website www.gbarngamission.org and following the "Sponsor A Child" link. As a sponsor you will receive a photo of your child, periodic updates and letters, as well as an opportunity to communicate directly with your child via letters that are hand-carried by missionaries visiting our school.

Just **\$30 a month** can give a child like Cooper the education and support he needs to succeed.
